

Rosemarie Wilson aka One Single Rose™
Poet/Spoken Word Artist/Singer/Actress/Playwright/Filmmaker

In the second grade, Rosemarie Wilson won her first poetry contest which provoked her love for poetry. After a long hiatus from exploring poetry, graduating college and working a 9-5, she almost broke into the music business, but instead opted to place her songs on paper in poetic form a few years later. She began writing for her first poetry collection in 2005 and was given the pen name One Single Rose while editing a book for a very good friend. After promoting motivational poetry, giving birth to her first baby, *One Single Rose . . . Poetry Blossomed from a Rose Core* on her birthday in 2009 jumpstarting her journey as a poet, she shifted into performing the spoken word the following year. Eight years young from the first time she authored a full poetry collection, Rosemarie has been dubbed an inspirational poet. She is a triple threat--a singer with a seven octave range, a poet who writes nice and naughty poetry and an actress/playwright/filmmaker. The roads she travels in these artistic genres has been amazing.

The emotional struggle of Rosemarie's addition of spoken word performances into her repertoire was difficult. After shedding fears of delivering her pieces on the mic, her spoken words officially took flight during her second performance in June 2010. Two months later, she was named 2010 Poetry Author of the Year and New & Upcoming Poet of the Year at the 1st Annual National Poetry Award (NPA) ceremony in Raleigh, North Carolina. In 2011, Rosemarie was nominated as Poetry Author of the Year with the National Poetry Awards—2014 marked her third nomination and in 2015, her CD *Poetic Truth* was voted Poetry/Spoken Word Album of the Year with the NPAs. Her poems have received honors in the Detroit Writers' Guild Paul Laurence Dunbar Poetry Contest. In 2010 "Eyes Back to Basics" won 1st place, "I'm Down To:" received honorable mention in 2012 "Goliath Brown" received honorable mention in 2013 and "The Jasmine Tree" received honorable mention in 2015. Another of her love poems "As One" won a 2011 online Valentine's Poetry Contest. She receives frequent requests to pen poems for individuals and groups on various subject matters with empowerment for her sisters and domestic violence prevention on the forefront. Rosemarie has also made national and international appearances ever since she stepped out on faith allowing poetry to pave her path.

Quotes

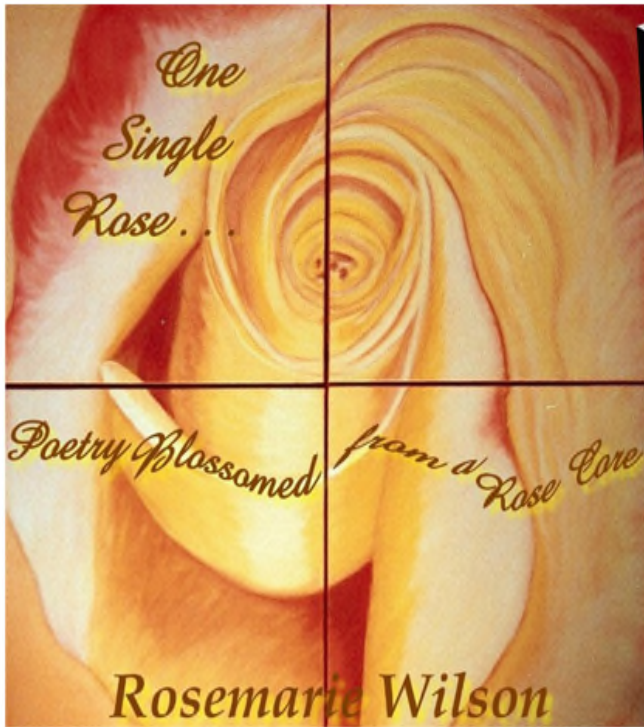

- ⤴ "I've been familiar with Rosemarie Wilson's writing and performances in the past. Always, she has been a poet that delivered eloquence in words to the highest level. Now after reading her newest work, I can say Rosemarie has shown me raw beauty in its most perfect form. Wilson's poetry leaves your soul jolted and excited and makes you want more. I feel empowered, amazed and grateful I had the opportunity to read the literary works of Ms. Wilson!" – Sylvia Hubbard, Motown Writers Network

- ⤴ “Overall, *Poetry Blossomed from a Rose Core* is a good read for anyone whose life is filled with colorful stories of growing up, and has had things to overcome, but has managed to pull it all together by acknowledging that every day is another lesson to be learned.” Victor “Billione” Walker, Detroit Poetry Blog
- ⤴ “Hollywood can use camera manipulation to speed up the process and show a flower as it blossoms. One Single Rose is the real life equivalent. Follow her and bear witness first hand as this rare flower comes into full bloom.” J. Michael Collins, Publisher, SSW Magazine
